

Saskatoon Gun Club

Winter Men's Night

2019 Information Nights

February 7th March 8th April 4th May 4th

Plan: This year we will be hosting 4 Men's Night events during the winter months. As well as a great evening at the club, these can also serve as information sessions and advanced registration opportunities for the upcoming season. Come out to enjoy supper and ask us any questions that would be helpful for you to better enjoy the club this coming season. By coming out to these Winter Men's Night events you can help us to reduce the clubhouse line-ups on regular Men's Night shoot nights by purchasing your 2019 Saskatoon Gun Club membership and shoot card during these advanced registration opportunities. This will provide you with the opportunity to begin shooting just as soon as you have checked in at future Men's Night events. Supper for these winter events will be from 6:00 - 10:00 pm. You may be required to BBQ your own meat selection.

Website: For more information & to register online go to: <http://www.saskatoongunclub.com/mensnight.php>

Location: Saskatoon Gun Club: click range location on our website.

Start Times: 5:30pm: Use this opportunity to ask questions from our directors and purchase your membership & shoot cards in advance of this year's shooting season to avoid registration delays during upcoming Men's Nights.

Cost: There will be no shooting during the Winter Men's Night suppers. The cost for this year's Men's Night suppers will be \$25 for the steak supper or \$18.00 for the BBQ hamburger meal.

Registration: Participants must register online through our website by noon the preceding Friday so that we can plan our supper menu accordingly.
